About This Game

I am a book of mazes. There are no entrances in halls of my pages, the history of world creation sleeps here. Do you remember that history? Then show me the way!

Mazes of this first-person adventure game are full of hazards and random loot which can help you in journey or show you pieces of story, the story you are already part of.

Features:

- generated labyrinths, weapons and cardboard enemies;
- book paintings world style;
- search for collectibles that are based on history and memes of gamedev.

Full version:

- storytale;
- persistent weapon upgrades;
- bossfights;
- traps.
